

1st Australian Rover Crew

Australian Venture 2006

presents...

RoverScope

January 10th - January 13th 2006

Sydney Scout Park, NSW

ROVERSCOPE NEEDS YOUR HELP!!!!

TO: The Rovers of Australia

Applications are closing VERY VERY VERY soon for Venture 2006 in Sydney...and so is your chance to participate in Roverscope 2006!!!! You need to apply ASAP if you want to have the chance to have the fun that comes along with Roverscope. Last applications will be accepted by Roverscope and Venture early December 2005...so that doesn't leave you a lot of time to get your application in!!

We have a huge number of activities planned for Roverscope to show the Venturers what sort of fun us Rovers get up to, and also (hopefully) provide us with a bit of fun too! We have things like soap soccer, iron gut challenges, State vs State competitions, sock wrestling, crate stacking, beach volleyball, Aussemoot promotions, computerised Crew Finders, veg out area, Disco arena...and much much more!!!!

This is our chance to reach a Venturer audience of over 600 or more Venturers from across this great big brown land of ours...HOW CAN WE MISS THIS GREAT OPPORTUNITY?!?!?!?!?

For your efforts at Roverscope, you will be a member of the first Australian Rover Crew and able to wear the name tape and scarf. You'll also be able to say that you did your bit in helping to promote Rovers to Venturers from all over Australia, you'll get to meet some awesome Rovers and most importantly...you'll have one of the funnest times of your life!!!

So have we have confirmed Rovers coming from NSW, ACT, VIC and QLD, with rumours of some coming from TAS and more from NSW, ACT, NT, VIC and maybe even NZ. What an awesome bunch of people from different States to hang out with!!! There could also be a 'surprise appearance' of one of the Mudbash Cars from 2005!!!!

So....why not come and help out at Roverscope...be it a day or two, or the whole Venture!!!! Go online to www.venture.scouts.com.au and apply online, as a Service Leader helping at Roverscope. You can also apply as a day worker if you're on a budget or can't get all the time off work.

More information can be found on the Australian Rovers website :
<http://rovers.com.au/NewsArticles/Roverscope.asp>

If you need help on applying, or want any further information, either contact myself, the NRC Vice Chair (Jason Thomson, nrcvicechair@scouts.com.au , 0408 531 564) or your BRC Chairman.

HOPE TO SEE YOU ALL AT ROVERSCOPE 2006!!!

Yours in Roving

Adz McLean
