

Rover Service Award

The Rover Service Award is presented to recognise an individuals outstanding contribution to Rovering over a sustained period.

National Criteria for the Rover Service Award

1. The minimum length of service necessary to fulfil the qualifying period should be 5 years for Rovers and 10 years for Uniformed Members / Supporters.
2. The length of service necessary to fulfil the qualifying period should take into consideration any involvement the individual may have had in other Branches.
3. As this is specifically a Rover Award, only service to the Rover Section can be considered. Service to other Sections will not assist a nomination.
4. Nominations must remain confidential and must not be discussed, either with the nominee or as part of the agenda at an open meeting.
5. Where a Rover continues to provide outstanding service to the Section in an advisory position, the period of service whilst a Rover will count towards their eligibility.

Additional Requirements

Some Branch Rover Councils have chosen to impose additional requirements such as:

- Nominee should be carrying out the responsibilities of his/her current appointment in the Rover Section to the highest standard.
- Nominee should promote team work and a positive attitude among fellow Rovers.
- Nominee should be a Rovering enthusiast and give a lead to other members of the Rover Section.

Nominations

There are lots of people (both current Rovers, ex-Rovers and supporters) out there who have made a great contribution to Rovering at either local, regional, state and national level. So lets recognise those that have helped Rovers become what we are.

To nominate someone please contact your local Branch Rover Council.
